In the selection of county officers, too often do the people fail to do their duty in the selection of the proper men for what they consider the minor offices, or in other words, those offices which are regarded of no importance whatever, which are in reality the most beneficial for the general improvement of the county—that of Magistrate. In this county especially do we need as magistrates, sober, upright, energetic and enterprising men, men who will look to the interest of the county, because from the Fiscal court must come our support, to make certain advancements which are necessary to place our county where it ought to be, can be and must be placed. If there is ever any decided improvement made in our roads, which are the greatest drawback to commercial enterprise, growth and prosperity, of anything that confronts our people, upon the Fiscal court rests the burden, and if we elect a man or set of men to take charge of our county offices, whose highest ambition is to get a jug of whisky and rush behind a lumber pile to divide it, how can you good people expect your county to grow and prosper, and how can you vote for such men? Ponder well the great questions, which confront you and when you go to the polls in next November, cast your vote for that man, who will do most good for the county and its people, "and all will be well."

THE election of Granville Owens, of Brodhead, as chairman of the Rockcastle Democratic County Committee, was a step taken, of which we are more than proud. We know of no better man, nor no better democrat in the county than he, and with such men at the helm, we may expect most satisfactory results. A worthy successor is he to our late chairman, R. L. Brown.

The prompt arrest and conviction of Hiram Fanning in the circuit court on the charge of shooting into a passenger coach filled with passengers should be a warning to all young men to stay sober and leave their pistols at home. It also indicates very conclusively that the railroad company will not only protect its passengers from harm but will prosecute those who injure or attempt to injure either passenger or employee.

ADDITIONAL LOCALS.

The debating society meets in the College Chapel every Friday night.

CANDIDATES are now in the field and the fight for the County Judge's place and Sheriff's office is on. The Democrat County Committee met yesterday and nominated for judge W. H. Owens, of Brodhead, and for sheriff, A. W. Stewart, of Wildie, also John H. Coffey, of Langford, for constable. Search the county over and you can not find three better men than these.

CONVENTION.—The Democrats of Rockcastle, met in Mass convention last Saturday, for the purpose of nominating candidates for the various county offices. S. F. Brown was elected temporary chairman and E. S. Albright secretary. About one hour was spent, making no progress at all except to nominate a candidate for Magistrate in the First district, T. J. Hayes, of Wildie, having received the nomination for that place. The convention, then referred the nominations of other candidates to the county committee, which met yesterday afternoon, and a report of which will be found in another column.

BIG TREES.—F. Francisco bought of T. S. Frith, of Brodhead, two poplar trees, for which he paid him \$45.52, and which measured 4552 feet. Mr. Frith has a number of such trees on his farm.

CHEAP RATES.—On October 21 and 22nd, the L. & N. will sell tickets at one half fare for the round trip to Owensboro, good until October 25th, on account of the meeting of the Grand Lodge Knights of Pythias.

DIED AT 78.—Aunt Pegie Bulen, one of the most peculiar characters, it has ever been our privilege to know, died last week at the ripe old age of 78 years. Over thirty years ago, she had made the coffin, in which she was buried, the work having been done by Coleman Haley and Jim Coffey, both of whom, have been dead over fifteen years. She also had made her clothes, in which to be buried, had the band of cloth fixed just as she wanted it placed around her jaws and the lace with which to line the inside of her coffin, all of which was used just as she desired.

Mrs. Bulen was the last member of the old Coffey family, and for the last five years, had been cared for, by Mr. and Mrs. A. W. Stewart.

COMMISSIONERS.—The road commissioners will meet here on Wednesday, October 16, for the purpose of allowing road claims.

John Brown, a son of Jothan Brown, and Miss Maudie Brown, daughter of Henry Brown, boarded the train at Maretburg Tuesday afternoon, and went to Jellico, where they were married Tuesday night.

MARRIED.—Miss Mollie Riley, daughter of F. B. Riley, of London, and Mr. Charles Tinsley, a young and rising attorney of Barbourville and a son of Judge J. H. Tinsley, District Attorney of the Eastern district, were married in London Tuesday evening.

AFFIRMED.—The verdict given Robert Wilson and William Clymer, of 15 and 10 years respectively, in the Lincoln circuit court, charged with raping Miss Sallie Crabtree, has been confirmed by the Court of Appeals. Clymer was formerly of this county.

Cataraugus Tribe No. 36, I. O. R. M., will give a public installation of officers and a supper, in their wigwam, at Livingston, Tuesday October 8th, at 8 p. m. Few tribes in the State are more thoroughly awake and doing better work, than the one at Livingston.

INDICTMENTS.—The grand jury, at the Rockcastle circuit court, returned 46 indictments, 6 of which were for felonies, including Hiram Fanagan, who was given two years in the pen, and 40 misdemeanors. Along the misdemeanor line, this shows rather a marked improvement to former years.

GOEBEL, the bright and attractive little two year old son of Mr. and Mrs. Owen Alien, like most children, which have fond and devoted parents, is looked upon as being the only boy there is, and if he will make as great a man as the one for whom he was named, or as good a man as his father, rightly can they be proud of him.

RECOMMENDED.—Judge R. G. Williams has recommended to Gov. Beckham the appointment of J. M. Reynolds, of Disputanta, Magistrate, as successor of James R. Gatliif, deceased. Judge Williams thought that a republican was entitled to the office, as Mr. Gatliif was a republican, and Mr. Reynolds being a good man, took pleasure in recommending him for this important office.

BROKE INTO.—The store of Isaac Dooley, of Mullins Station, was broken into Monday night. Several pairs men's shoes, a lot of bacon and a number of pennies, were taken. Catch the thief and make Jordan a hard road to travel. Only the midnight assassin is worse than the rogue. Later, two men were seen hiding the goods in a drift pile on Piney branch and warrants have been issued for Geo. Rainy and Stoke Lawson.

TO-DAY.—The examining trial of Willis and Wyatt Allen, for the wounding of James Gatliif, from the effects of which, he died Saturday night, was called Wednesday, but owing to the absence of W. T. Short, one of the attorneys for the defense, the trial was continued until to-day. The attorneys for defense are Bethurum and Bethurum and W. T. Short, and for the prosecution, Judge P. D. Collyer, C. C. Williams and W. R. Ramsey.

MILLINERY.

I have just returned from the city with a full line of millinery goods that I will open on Saturday, Oct. 5th. I am going to sell Ladies and Misses hats cheaper than they were ever sold in Mt. Vernon before. Call and examine my stock and get prices before purchasing elsewhere. Every body invited to my opening. Respectfully,

Mrs. ELLA BAKER.

The Indian show, which has been located at Livingston for the past two weeks, arrived here Tuesday, to take up their abode for the next two weeks.

TO LOUISVILLE.—The L. & N. will sell tickets to Louisville October 21 and 22nd, limited until October 24, at one fare for the round trip, on account of the State Confederate Re-Union.

LIFE SENTENCE.—Eugene Montgomery, of Danville, received a life sentence last week in the Boyle Circuit Court, for killing his step-child for a small amount of insurance. At his first trial, he was given a death sentence, which was reversed by the Court of Appeals.

JOE RAMSEY bought of J. W. Baker, a house and lot, located in the northern part of town and known as the Cromer property, for which he paid \$450. W. M. Baker, who occupied the house, has moved to the residence of his father, near W. F. McClary's property.

SMALL-POX.—Green Lovings and two of his children, of Brodhead, are reported to have the smallpox. Dr. W. J. Edmiston, of Crab Orchard, who has had considerable experience with smallpox in Lincoln, accompanied by Dr. Benton, visited the patients and pronounced them to be genuine cases.

OFFICERS.—At a meeting of the Stockholders, of The Bank of Mt. Vernon, held last Saturday for the purpose of electing officers for the ensuing year, C. C. Williams was elected President, J. T. Adams Vice-President, and Rod Perry, Vincent Boreing, A. T. Fish, Jonas McKenzie, George Livesay, Fritz Krueger and J. R. Houk, were chosen as directors.

Opening.

To every Lady, Miss and child, in Rockcastle county, we extend a most cordial invitation to come on SATURDAY OCTOBER 5TH., and attend our grand opening of New Fall and Winter Hats and Wraps. We will have on exhibition, that day, the largest, most beautiful, stylish and complete line of hats ever opened in Mt. Vernon. Prices to suit everybody—Style and Quality—at prices unequalled. Our Wraps will consist of the very latest style; Jackets for ladies Misses and children, and Fur Collarettes. If you want a wrap don't miss this opportunity.

MRS. SALLIE WILLIAMS.

INCORPORATION.—Judge Williams appointed Saturday last, attorney J. W. Brown, Jas. T. Adams, Rev. J. C. Carnical, Theo Wesley and D. S. Purdon, trustees of the corporation. For over a year our town has been without trustees, marshal or any sort of a corporation, and it does seem that the people have seen and realized enough, that they would now be willing to join in and try to help make up for lost time. Let the people help build up the corporation instead of pull it down, have a good corporation, one with which, every body will be pleased, but no set of town officers can make it so, if the people are continually fighting against it.

DEAD.—Squire James Gatliif, who was shot and cut all to pieces about two weeks ago, in a fight with Willis and Wyatt Allen, died Saturday night. In all Gatliif was cut seven times and shot once in the shoulder, with a double barrel shot gun. While in this deplorable condition, yet, up until almost the last, had hopes of his recovery. He leaves a wife and ten children, who have the deepest sympathy of the people. That trouble and misfortune always comes in a two-fold form, seemed to prove true in this instance. While the wife, that kindhearted forgiving woman that she is, was at the bedside of her dying husband, administering to his every want, their little home, with all its contents which she had left in charge of the small children, caught fire and burned, leaving them without even a shelter to protect them from the winter's approaching storms, and without money to build another. May God in His infinite wisdom, aid, cherish, comfort and protect them.
